

Enviro Midori [80mm]

Combining a fresh, modern finish with drainage capabilities to eliminate surface water runoff, 80mm (3.15") thick Enviro Midori pavers are optimized for mechanical installation, with interlocking spacer bars for enhanced surface stability. Manufactured in 3 modular sizes and packaged together for convenience, these pavers can also be arranged into many different patterns to create unique designs.

Paver: Enviro Midori, Champagne
Clay Brick: Historic Series, Canyon
Stone: Vivace, Verona
